Fortum and Uniper form a European energy group committed to enabling a successful transition to carbon neutrality for everyone. Our 50 gigawatts of power generating capacity, substantial gas import and storage operations, and our global energy trading business enable us to provide Europe and other regions with a reliable supply of low-carbon energy. We are already Europe's third largest producer of CO₂-free electricity, and our growth businesses focus on clean power, low-carbon energy, and the infrastructure for tomorrow's hydrogen economy. In addition, we design solutions that help companies and cities reduce their environmental footprint. Our 20,000 professionals and operations in 40 countries give us the skills, resources, and reach to empower the energy evolution toward a cleaner world.
