

Invitation to Fortum's Investor Day on 25 November

FORTUM CORPORATION INVESTOR NEWS 29 SEPTEMBER 2025 AT 9:30 EEST

Fortum invites analysts, institutional investors, other capital markets representatives and media to its Investor Day on Tuesday, 25 November 2025 at 10:00 a.m. EET. The event will be held in Helsinki, Finland, and as a live webcast open to all.

Fortum's CEO and President Markus Rauramo together with members of the Fortum Leadership Team will host the Investor Day event. During the day, Fortum's management will provide an overview on the company's operating environment, development of business operations as well as updates on the progress on Fortum's strategy execution and financial targets. The event will be held in English.

Preliminary agenda for the Investor Day (Finnish time, EET):

- 9:30–10:00 Registration
- 10:00–13:00 Presentations and webcast
- 13:00–14:00 Lunch and possibility to meet Fortum's management

Venue: Event Venue Eliel, Töölönlahdenkatu 2, Helsinki, Finland

In order to attend the event in Helsinki, please register at [Fortum Investor Day 2025](#) by 17 November at the latest. The number of seats is limited, so we recommend registering early.

As part of the event, there will be a live webcast, starting at 10:00 Finnish time. There will be opportunities to ask questions via teleconference and on the webcast platform.

The full agenda as well as teleconference and webcast details and links will be available closer to the event date on the company website at [Fortum Investor Day 2025](#). Recordings and presentation materials will also be available on Fortum's website after the event.

Fortum

Fortum is a Nordic energy company. We generate and deliver reliable energy to our customers and the Nordic energy system while at the same time helping industries decarbonise their processes and grow. Our core operations comprise efficient and best-in-class low-carbon power generation, customer services, and heating and cooling. Fortum's power generation is already 99% from renewable or nuclear sources with one of the lowest specific CO₂-emissions in Europe. We are guided by our ambitious SBTi-validated emission reduction targets on our way towards net-zero by 2040. For our ~4,500 employees, we commit to be a safe and inspiring workplace. Fortum's share is listed on Nasdaq Helsinki. [fortum.com](https://www.fortum.com)
