SOTKAMO SILVER ENTERED INTO AN OFF-TAKE AGREEMENT REGARDING SILVER AND ZINC CONCENTRATES

Sotkamo Silver's wholly-owned subsidiary, Sotkamo Silver Oy, has entered into the off-take agreement for silver concentrates and zinc concentrates from Silver Mine to Boliden's Kokkola smelter in Finland and Rönnskär smelter in Sweden.

The estimated value of deliveries during the four years contract period is about EUR 120 million at current metal prices. The concentrate shipments are expected to start in early 2019.

"The smelters in Kokkola and Rönnskär are the closest smelter to Silver's Mine in Sotkamo, Finland. The concluded agreements combined with the deliveries will bring logistical and economic benefits to both parties. We are delighted that Sotkamo Silver has been selected to deliver high-grade silver and zinc concentrate with low impurities to the sustainable and responsible operating smelters of Boliden", says Timo Lindborg, CEO of Sotkamo Silver AB
