SOTKAMO SILVER: THE FIRST BLAST CONDUCTED AT THE SILVER MINE

Sotkamo Silver is pleased to announce that one of the significant milestones was reached with the First Blast on October 16th. The First Blast is a major milestone and the momentous occasion on any mining project. It is a very positive demonstration of the progress that is being made. Underground development has been started, too.

“The First Blast is a very positive demonstration of the progress that is being made. I want to thank everyone involved. Their good knowledge and passionate activity have made this possible”, says Timo Lindborg, CEO of Sotkamo Silver AB
