ÅF wins 3 million euro consulting contract in Indonesia

ÅF's Process Division has signed a contract for Owner's Engineer services for Cikarang gas-fired power plant in Indonesia

The contract comprises consulting and project management services for the design and manufacturing phases, installation supervision and commissioning of a 360 MW power plant.

The contract value for ÅF amounts about 3 million euros.

The client is the private power company PT Cikarang Listrindo, which produces electricity for an industrial park 30 km east from Jakarta.

Corporate Information
AB Ångpanneföreningen

The ÅF Group is a leader in technical consulting, with expertise founded on more than a century of experience. We offer highly qualified services and solutions for industrial processes, infrastructure projects and the development of products and IT systems. We are also one of the leading names in testing and inspection. Today the ÅF Group has over 3,500 employees. Our base is in Europe, but our business and our clients are found all over the world.
