## Press release from ÅF Pöyry

### **Marie Trogstam has joined ÅF Pöyry as Head of Sustainability**

**On Oct. 1 Marie Trogstam joined ÅF Pöyry as Head of Sustainability. In this role, Marie will lead ÅF Pöyry's strategic work to develop sustainable solutions to contemporary global challenges.**

"I am really excited to get the opportunity to work for a company that provides sustainable solutions as core business. In addition to this, I am happy to learn that ÅF Pöyry has a strong commitment to conducting business in a responsible way, hence taking into account all aspects of sustainability such as respecting human rights and working against corruption", says Marie Trogstam.

Marie Trogstam joins the company from her role as Manager for International Sustainable Business at Business Sweden, where she has been responsible for supporting Swedish companies in developing their business on foreign markets in a sustainable manner. The work included, among other things, to drive both strategic and tactical sustainability projects together with Swedish companies, and to develop cooperation with organisations such as the United Nations, SIDA and Save the Children.

Previous to this, Marie held the posts of Head of Sustainability at Telia Sweden AB and Head of Corporate Responsibility at Saab AB.

"It feels great that Marie now has joined us. Marie has an extensive international experience of working with sustainability and will be an invaluable asset in leading ÅF Pöyry's own work in the field of sustainability, both internally and as part of our external assignments", says Jonas Gustavsson, President and CEO of ÅF Pöyry.
