Press release from AFRY

Head of AFRY Energy Management Consulting Sweden Appointed

Henrik Tegnér joins AFRY as Head of AFRY Energy Management Consulting Sweden.

Henrik Tegnér joins AFRY from Accenture where he has worked for over 20 years, specialising in management consulting for the Nordic energy sector. Henrik Tegnér's arrival marks the launch of AFRY's Management Consulting offering for the energy sector in Sweden.

AFRY Management Consulting supports clients through the energy transition, providing forward looking market analysis, strategic advice, organisational and operational excellence and transaction services along a broad spectrum of challenges and opportunities in the rapidly changing energy sector.

"We are excited to welcome Henrik Tegnér to AFRY Management Consulting. Henrik brings with him a wealth of experience and his expertise will be greatly appreciated as we bring our Management Consulting offering to the Swedish energy sector and provide leading advice to our clients in the region" says Roland Lorenz, EVP and Head of AFRY Management Consulting.

"I am looking forward to leveraging AFRY's combination of deep sector expertise, management consulting and engineering capabilities with our strong position as a global company with Nordic roots. The possibilities are many and I look forward to collaborating with our clients to deliver leading edge solutions" says Henrik Tegnér, Head of AFRY Energy Management Consulting Sweden.

With more than 400 Management Consultants and more than 2000 Technical Consultants AFRY has a broad offering within the energy sector providing advice and assistance to clients in more than 80 locations throughout Europe, China, Middle East, Asia, Africa and Americas.
