ChromoGenics appoints Lars Ericsson to Interim CFO

ChromoGenics AB (publ) appoints Lars Ericsson to Interim CFO. Lars will be part of the management team from today. Lars has solid work experience from senior management roles in the field of finance, including SAS, Svenska Kraftnät and companies in the Life Science industry.

"We are pleased to have Lars with us to manage our financial unit and strategy. Lars has extensive experience in financial management and analysis and can quickly enter and contribute to our business with his solid consulting background," says Jerker Lundgren, CEO of ChromoGenics.

About ChromoGenics

ChromoGenics offers dynamic glass with controllable heat- and light transmission. The company's unique technology ConverLight® provides sustainable solar control for increased indoor comfort and energy efficiency. ConverLight® also contributes to Green Building certifications. In 2016 the company started commercial sales to real estate projects in Scandinavia.

ChromoGenics is located in Uppsala, Sweden, and the technology is derived from the world leading research center at Ångström Laboratory at Uppsala University. The plant has been partly financed by a conditional loan from the Swedish Energy Agency. ChromoGenics share (CHRO) is listed on Nasdaq First North Stockholm with G&W Fondkommission as Certified Adviser.
