### Achilles Capital Completes Acquisition of EBRD's Stake in AxFina

Achilles Capital AB ("Achilles"), the Stockholm-based investment company, today announced the completion of its acquisition of the European Bank for Reconstruction and Development's ("EBRD") 24% stake in AxFina Holding S.A. ("AxFina").

The transaction, previously announced on July 7th 2025, further strengthens Achilles Capital's presence in the non-performing loan (NPL) servicing sector and reinforces its strategic focus on core European markets.

AxFina plays a central role in Achilles' platform of credit-focused investments, supporting its broader ambition to scale integrated servicing and digital asset management capabilities across the region. The acquisition also supports ongoing efforts to drive operational efficiency and digital transformation within financial infrastructure.
