Press release

11 September 2020 at 3:45 p.m.

The City of Jyväskylä has selected Pihlajalinna as the service provider of Huhtasuo Health Centre's outpatient care services from 2 November 2020.

The agreement is valid from 2 November 2020 to 1 November 2023, and it can be continued after the fixed agreement period as an agreement that is valid until further notice. The value of the agreement over the entire fixed agreement period is EUR 6 million.

The service solution includes the outpatient care of the residents of Huhtasuo Health Centre's service area in primary care during opening hours, urgent care appointments and services such as health counselling and health examinations in connection with these.

"Our goal is to increase the availability of outpatient care appointments in Huhtasuo. Pihlajalinna also offers its extensive experience of recruiting competent personnel," says Joni Aaltonen, Pihlajalinna's CEO.

The service area of Huhtasuo Health Centre in Jyväskylä is home to about 9,300 residents.
