A change in Pihlajalinna Plc's Management Team

Pihlajalinna Plc has appointed Antti-Jussi Aro, M.Sc., as the new Chief Information Officer and member of the Management Team. Aro will take up the responsibilities and join the Management Team on 3 May 2021.

Prior to this, Antti-Jussi Aro (b. 1983) was the Chief Digital Officer of Jääkiekon SM-liiga Oy. He has also served in international duties at Accenture and AbbVie. Aro graduated from Aalto University with a M.Sc. in telecommunications.

"Antti-Jussi has extensive experience in information management and digital development, and technological development projects that support core business operations. He has also performed well in, for example, strategic projects related to services directed at customers and projects that improve operative capabilities. I am extremely happy that we can strengthen the Group's Management Team with a professional like Antti-Jussi. I would like to extend a warm welcome to Pihlajalinna for Antti-Jussi," says CEO Joni Aaltonen.

Pihlajalinna in brief

Pihlajalinna is one of the leading private social and healthcare services providers in Finland. The company serves private individuals, businesses, insurance companies and public sector entities, such as municipalities and joint municipal authorities. Pihlajalinna provides general practitioner services, specialised care, emergency and on-call services, a wide range of surgical services, occupational healthcare, dental care and wellbeing services. In addition, the company offers innovative social and healthcare service provision models to public sector entities.
