Pihlajalinna in brief

Pihlajalinna is one of the leading private social and healthcare services providers in Finland. The company serves private individuals, businesses, insurance companies and public sector entities, such as municipalities and joint municipal authorities. Pihlajalinna provides general practitioner services, specialised care, emergency and on-call services, a wide range of surgical services, occupational healthcare, dental care and wellbeing services. In addition, the company offers innovative social and healthcare service provision models to public sector entities.
