

SBB receives positive planning decision for approximately 40,000 sq.m. of BTA residential apartments in Borås

Samhällsbyggnadsbolaget i Norden AB ("SBB") together with Borås Municipality receives zoning plan permission for approximately 40,000 sq.m. of BTA new residentials in connection with the existing residential area Liljeberget, which is an attractive residential area in central Borås. In addition, housing for the elderly and other municipal services will also be developed. The area is located next to attractive green areas. The new buildings will be adapted to existing environments and the open spaces between the housing.

"We are extremely happy that the Municipality has taken an important step in developing Norrmalm. We look forward to working closely with the Municipality in the future planning of housing, extra care housing and other municipal services", says Krister Karlsson, Deputy CEO of Samhällsbyggnadsbolaget i Norden AB.
