

InCoax appoints Pontus Bogren CFO

Pontus Bogren has been appointed Chief Financial Officer at InCoax and will play a decisive role in the Management Team during our growth journey.

As CFO, Pontus will be responsible for all aspects of finance including participating in developing InCoax towards our growth objectives. In the short term, he will also manage the preparations for the future listing of the company on Nasdaq First North.

Pontus has a Master of Science in Business Administration from Växjö University and has approximately 16 years' working experience. Previously, he has been Executive Vice President at Söderberg & Haak Maskin AB, CFO at Biolin AB (publ.) and CFO at MCG Malmö Citytunnel Group AB. Pontus will be reporting to the CEO.

"InCoax has made significant technological progress in recent years and is on the verge of a market breakthrough. I look forward to join efforts with the highly skilled professionals at InCoax and take part of the coming expansion," says Pontus Bogren, CFO.

"With Pontus Bogren's demonstrated experience from both public and private companies, and his strong business focus, I am very happy to welcome him into InCoax" says Peter Carlsson, CEO.
