Instalco is one of the leading installation companies in the Nordic region, active in the areas of heating, plumbing, electricity, cooling, industrial solutions and technical consulting. We offer project planning, installation, service and maintenance of systems installed at properties and facilities throughout Sweden, Norway and Finland. The operations are conducted through approximately 130 leading and highly specialised local companies, with the support of a small central organisation. Instalco is listed at Nasdaq Stockholm under the ticker INSTAL. For further information, visit www.instalco.se
