

# New CEO in Lightcircle AS

Lightcircle AS ('Lightcircle' or "the 'Company'), a company owned by GET Group AB, is exited to have hired John Mulholland as the new CEO. John Mulholland holds a Master of Engineering, Electrical & Mechanical Engineering from The University of Edinburgh and knows the Company's products and business very well, following several years as Head of Research and Development of Lightcircle.

"I'm excited to be offered this opportunity in this exciting phase, as together with the GET Group, we are able to broaden our offerings in both sustainability and safety towards new markets", says John Mulholland, new CEO of Lightcircle.

Departing CEO Morten Revill is on sick leave and is affected by a challenging and difficult family situation, but will be available to the Company based on his remaining capacity.
