RE-ORGANISATION OF GROUP FUNCTIONS MEDICOVER HEAD OFFICE

In the context of the Covid-19 crisis, Medicover has actively been adjusting its cost and organisational structure to adjust to a new normal. Whilst seizing the benefits of being a large, international and diverse company in the Healthcare industry, Medicover's activity is built around its two divisions with offices in Warsaw and Berlin and local services in 12 countries. For that reason the company has decided to reduce the roles in Group HR and Internal Communication in the Stockholm head office.

As a consequence of this decision, the Group HR Director, the Head of Reward and the Head of Internal Communication, will leave the company by the end of April.
