Medals of War featured by Apple

Nitro Games' latest game "Medals of War" is currently featured by Apple on App Store.

Medals of War is currently featured by Apple in the "New Games We Love" -category on the front page of the App Store in 18 countries, including United States.

"We're delighted to get this visibility for Medals of War from Apple. This is our first big self-published game and that makes us feel proud of this recognition. We see this as yet another validation that we're on the right path with our MVP process and with Medals of War." says Jussi Tähtinen, CEO and Co-Founder, Nitro Games Oyj.

Medals of War is a community-focused game that brings players together with their friends. Players are matched with each other in intense PvP combat – In real-time! The aim is to level up and hone your skills to be the best commander in Warland.

Medals of War was launched on September 19 and is currently available in 77 countries on iOS on Apple App Store (iPhone & iPad).
