### Nitro Games in brief:

Nitro Games is a free-to-play mobile game developer and publisher with a decade of experience in developing games for the mid-core user segment, mostly focusing on the genre of strategy games. The Company focuses on producing games with high production value and high revenue potential for smartphones and tablets. With Nitro Games' powerful NG Platform and NG MVP-process, the Company is able to do market validation with new game prototypes after only a week of development. Historically, Nitro Games has developed games such as East India Company, Commander: Conquest of the Americas, Pirates of Black Cove and Raids of Glory. Nitro Games' shares are listed on Nasdaq First North Stockholm with the ticker NITRO, and the company's Certified Adviser is Augment Partners AB, phone: +46 8 505 651 72.
