## MEA version of Medals of War received featuring

**Nitro Games announced that the MEA version of “Medals of War”, published by Netmarble EMEA, has just received featuring by Google.**

*“The MEA version of Medals of War received wide featuring in several countries. This is a good start for the launch with added visibility.”* says Jussi Tähtinen, CEO & Co-Founder, Nitro Games Oyj.

The game is currently featured in 13 countries in MEA region in Google Play Store, including key markets such as Saudi Arabia, United Arab Emirates and Turkey.

Medals of War is available with different localized names in the MEA region published by Netmarble EMEA. This launch follows Nitro Games’ strategy where the company is self-publishing it’s games in the western markets and accessing other markets via publishing partners.

Medals of War is a community-focused game that brings players together with their friends. Players are matched with each other in intense PvP combat – in real-time! The aim is to level up and hone your skills to be the best commander in Warland.
