Heroes of Warland @ Gamescom: Meet the Superstars

Nitro Games announced the first Superstars from the upcoming “Heroes & Superstars” in Gamescom.

“We’re working with Gamingzone Entertainment to produce *Heroes & Superstars*: a unique new approach combining a reality show with the launch of our new game. We can’t wait to see these three Superstars battling it out in *Heroes of Warland*.” says Jussi Tähtinen, CEO & Co-Founder, Nitro Games Oyj.

The first announced Superstars are:

- BorasLegend (Sweden) - FIFA
- Stormen (Sweden) - Fortnite & H1Z1
- Eloise (China) - Hearthstone

These three Superstars announced at Gamescom are part of the *Heroes & Superstars*, upcoming entertainment program by Gamingzone Entertainment. *Heroes & Superstars* is a reality show, where nine successful gaming superstars from different games and three sports champions will battle out in *Heroes of Warland* against each other. The launch of *Heroes & Superstars* will sync with the launch of *Heroes of Warland* and premiere in 2018. *Heroes & Superstars* will be distributed on global streaming platforms as well as on traditional broadcast.

Heroes of Warland is a team-based competitive multiplayer game on mobile. With *Heroes of Warland*, Nitro Games is introducing hero-based shooter genre on mobile for the first time. The genre has been highly popular on PC. Hero-based shooter means that the game has several hero characters, each with their own individual skills and abilities, offering a unique and fun team multiplayer experience previously unseen on mobile.

Gamescom is the biggest European trade show for the computer- and video game industry. The show brings together retail, trade and media, and is divided into a separate business area and an entertainment area open for public audience – all located at the Cologne Exhibition Centre.

Nitro Games is attending Gamescom to present Heroes of Warland.
