## Heroes of Warland featured in Google Play Early Access category

Nitro Games announced its upcoming game Heroes of Warland is now available in Google Play Open Beta and featured in Early Access category.

*"We're now expanding our soft launch for Heroes of Warland. With Google Play Early Access program we get additional visibility in the storefront. For us this is a great way of moving forward with the soft launch by welcoming players from around the world to try out Heroes of Warland."* says Jussi Tähtinen, CEO & Co-Founder, Nitro Games Oyj.

Heroes of Warland is now available in Google Play Open Beta in 139 countries. This means the game is available globally for early testers having Android devices, excluding China and few other countries.

The game is featured in Google Play in Early Access category in all 139 countries.

Heroes of Warland is a team-based competitive multiplayer game on mobile. With Heroes of Warland, Nitro Games is introducing hero-based shooter genre on mobile for the first time. The genre has been highly popular on PC. Hero-based shooter means that the game has several hero characters, each with their individual skills and abilities, offering a unique and fun team multiplayer experience previously unseen on mobile.
