## First distribution channels announced for Heroes & Superstars

Nitro Games announced the first distribution channels for the upcoming reality show Heroes & Superstars

The first distribution channels announced are:

- Huawei Video service
- Twitch
- Viafree & Viaplay
- Sport1
- Youtube

Heroes & Superstars is a new challenging reality competition show where nine gaming superstars and three extreme sport stars will battle out in Heroes of Warland against each other. The premiere of Heroes & Superstars will sync with the launch of Heroes of Warland and premiere in 2018. Heroes & Superstars is produced by Gamingzone Entertainment.

Heroes of Warland is a team-based competitive multiplayer game on mobile. With Heroes of Warland, Nitro Games is introducing hero-based shooter genre on mobile for the first time. The genre has been highly popular on PC. Hero-based shooter means that the game has several hero characters, each with their individual skills and abilities, offering a unique and fun team multiplayer experience previously unseen on mobile.

Heroes of Warland is currently available in Huawei AppGallery, exclusively for a limited time. AppGallery is the app store preloaded on all Huawei & Honor smartphones and tablets.
