

Heroes of Warland launched in Samsung Galaxy Apps Store

Nitro Games announced the launch of Heroes of Warland in Samsung Galaxy Apps Store with the biggest update to the game so far.

Nitro Games announced its new game Heroes of Warland is now available in Samsung Galaxy Apps Store. Samsung Galaxy Apps is an app store that comes bundled on Galaxy and Gear devices. The Galaxy Apps Store is also a go-to source for perks and deals offered only to Galaxy and Gear users. The Samsung Galaxy Apps version of the game includes a special exclusive Game Offer for Samsung Consumers.

"We are happy releasing Heroes of Warland in Samsung Galaxy Apps Store and looking forwards to our co-operation with Samsung on marketing of the game and introducing it to larger audiences. The player base of the game is growing with more than 500 000 downloads so far. We are now continuing the launch by introducing the game to new players and serving our existing players with a steady flow of new updates." says Jussi Tähtinen, CEO & Co-Founder, Nitro Games Oyj.

Parallel to the launch in Samsung Galaxy Apps Store, Nitro Games is introducing the biggest update so far with a new version of the game, available now on all platforms. This new version of Heroes of Warland includes new content, features and competitions to keep players entertained.

This launch means that Heroes of Warland is now available on all initially planned platforms: Samsung Galaxy Apps Store, Google Play store, Apple App Store and Huawei AppGallery. The launch progresses now with live operations, where the game gets updated with new content and improvement to existing content on a steady basis while Nitro Games continues its marketing efforts to introduce the game to a growing audience of new players.

Heroes of Warland is a team-based competitive multiplayer game on mobile. With Heroes of Warland, Nitro Games is introducing hero-based shooter genre on mobile for the first time. The genre has been highly popular on PC. Hero-based shooter means that the game has several hero characters, each with their individual skills and abilities, offering a unique and fun team multiplayer experience previously unseen on mobile.
