Nitro Games releases *Blast Heroes* on Snapchat

New mobile game announced and featured now on the Snapchat platform

Nitro Games has today announced a new mobile game: **Blast Heroes**. The game is now available globally with a promotional featuring in the Snapchat app. Blast Heroes is a social top-down action game where players play together as a team, blasting their way through waves of enemies in various challenging levels. The game features the Bitmoji avatars by Snap. Blast Heroes is an instant game available exclusively on the Snapchat platform. This means that the users can jump into the gaming session immediately in the Snapchat app as there is no separate game download required to play.

We are now expanding our game portfolio to new audiences and plan to follow up with more instant games in the future." says Jussi Tähtinen, CEO & Co-Founder of Nitro Games.

Nitro Games acts as the developer and publisher of the game. Nitro Games had previously, on 23 February 2021, announced that it is developing an upcoming game for the Snapchat platform. For Nitro Games, this is the first game release on the Snapchat platform. Nitro Games has three more game development projects with Snap Inc. For more information about Snap Inc, visit snap.com.
