Nitro Games signs approx. 2,3 million EUR expansion to a development agreement

Nitro Games has signed an expansion to a development agreement with Digital Extremes for an unannounced project.

With this agreement, Nitro Games continues to provide Digital Extremes with game development services for an unannounced game. This agreement is an expansion to the ongoing order with the same customer, as previously communicated on 30 July 2021. This agreement follows Nitro Games' strategy, where in addition to developing games based on its own IP, the company also offers its services to selected customers. The order value of this new agreement is approx. 2,3 million EUR, increasing the total order value with this customer to approx. 4,5 million EUR. The agreement follows an industry-standard structure. The project has started in 2021 and is expected to be completed in 2023.

"We are excited to continue our work on the project with this new expansion agreement. This new order is a good fit for our strategy," says Jussi Tähtinen, CEO of Nitro Games.
