Nitro Games signs approx. 1.3 million EUR expansion to the development agreement

Nitro Games has signed third expansion to the development agreement with Digital Extremes for an unannounced project.

With this agreement, Nitro Games continues to provide Digital Extremes with game development services for an unannounced game. This agreement is third expansion to the ongoing order with the same customer, as previously communicated on 30 July 2021, 26 July 2022 and 23 December 2023. This agreement follows Nitro Games' strategy, where in addition to developing games based on its own IP, the company also offers its services to selected customers. The order value of this new agreement is approx. 1.3 million EUR, increasing the total order value with this customer to approx. 7.8 million EUR. The agreement follows an industry-standard structure. The project has started in 2021 and is expected to be completed in 2024.

"We are looking forward to expanding our collaboration with Digital Extremes. We have really enjoyed working on this project together and are very happy to continue our work with this new expansion agreement," says Jussi Tähtinen, CEO of Nitro Games.

Digital Extremes in brief:

Founded in 1993 by James Schmalz, Digital Extremes ranks as one of the world's top independent video game development studios. Originating with the co-creation of Epic Games' multi-million unit selling

Unreal® franchise including Unreal and Unreal Tournament, Digital Extremes went on to develop Dark Sector®, BioShock® for the PlayStation®3, the BioShock 2 multiplayer campaign, and The Darkness® II. The studio has reached its greatest critical and commercial success with the free-to-play action game, Warframe®, boasting a global community of 50 million registered players on PC, PS4™, Xbox One and Nintendo Switch™.
