Nitro Games signs approx. 1.1 million EUR development agreement

Nitro Games has signed another development services agreement with a European Game developer and publisher for an unannounced mobile shooter game.

"We're excited to expand our collaboration with this follow up agreement. This project aligns well with our strategy," says Jussi Tähtinen, CEO & Co-Founder of Nitro Games.

With this agreement, Nitro Games continues providing the partner with game development services for an unannounced mobile shooter game based on the partner IP. This agreement follows Nitro Games' strategy, where in addition to developing games based on its own IP, the company also offers its services to selected customers. The order value of this new agreement is approx. 1.1 million EUR. This agreement is a continuation for earlier smaller orders by the same customer, bringing the total order value with this customer to approx. 5.2 million EUR. The agreement follows an industry-standard structure. The project under this new agreement continues uninterrupted and the work under this agreement is expected to be completed in early 2027.
