Conversion of shares

According to Essity's articles of association, owners of Class A shares have the right to have such shares converted to Class B shares. Conversion reduces the total number of votes in the company. When such a conversion has occurred, the company is obligated by law to disclose any such changes in this manner.

In January, at the request of shareholders, 1,000,000 Class A shares were converted to Class B shares. The total number of votes in the company thereafter amounts to 1,207,860,411.

The total number of registered shares in the company amounts to 693,054,489 of which 57,200,658 are Class A shares and 635,853,831 are Class B shares.

NB: This information is such that Essity must disclose in accordance with the Financial Instruments Trading Act. The information was submitted for publication on January 30, 2026, at 08:00 CET.
