

## Expiry of subscription period today

Reference is made to previous announcements in respect of the ongoing Subsequent Offering of up to 3,000,000 new shares in Nordic Mining ASA.

The subscription period for the Subsequent Offering will expire today, Friday 26 January 2018 at 16:30 (CET). Correctly completed subscription forms must be received by Carnegie or Swedbank, or in the case of online subscriptions, be registered within this deadline.

Subscription rights that are not used to subscribe for new shares before the expiry of the subscription period will have no value and will lapse without compensation to the holder.

For further information please contact CFO Lars K. Grøndahl, telephone +47 901 60 941.

Oslo, 26 January 2018  
Nordic Mining ASA

*Nordic Mining ASA ([www.nordicmining.com](http://www.nordicmining.com))*

*Nordic Mining ASA ("Nordic Mining" or "the Company") is a resource company with focus on high-end industrial minerals and metals in Norway and internationally. The Company's project portfolio is of high international standard and holds a significant economic potential. The Company's assets are in the Nordic region.*

*Nordic Mining is undertaking a large-scale project development at Engebø on the west coast of Norway where the Company has rights and permits to a substantial eclogite deposit with rutile and garnet. Permits for the project have been granted by the Norwegian government, and a prefeasibility study was completed in October 2017. Nordic Mining's associated company Keliber in Finland is in the process of completing its definitive feasibility study and preparing for production of lithium carbonate. Nordic Mining has rights for exploration and production of high-purity quartz in Kvinnherad in Norway. Further, the Company holds exploration rights at Reinfjord in northern Norway where a prospective area of sulphide mineralisation has been discovered. Nordic Mining is also exploring opportunities related to seabed mineral resources.*

*Nordic Mining is listed on Oslo Axess with ticker symbol "NOM".*
