

Keliber EIA report of the Päiväneva mine and concentrator site submitted

Keliber has prepared the environmental impact assessment ("EIA") for the lithium mine and concentrator site and has submitted the EIA report to the Centre for Economic Development, Transport and the Environment of South Ostrobothnia ("ELY Center") for official review.

Keliber's press release is available at: <https://www.keliber.fi/en/news/news-releases-and-publications/08947508A71278CB/>

Oslo, 2 December 2020
Nordic Mining ASA

Nordic Mining ASA (www.nordicmining.com)

Nordic Mining ASA ("Nordic Mining" or the "Company") is a resource company with focus on high-end industrial minerals and metals. The Company's project portfolio is of high international standard and holds significant economic potential. The Company's assets are in the Nordic region.

Nordic Mining is undertaking a large-scale project development at Engebø on the west coast of Norway where the Company has rights and permits to a substantial eclogite deposit with rutile and garnet. Nordic Mining also holds 16.3% of the shares in Keliber Oy, which is developing a lithium project in Finland to become the first European producer of battery grade lithium hydroxide.

In addition, Nordic Mining holds interests in other initiatives at various stages of development. This includes patented rights for a new technology for production of alumina and exploration of seabed minerals.

Nordic Mining is listed on Oslo Axess with ticker symbol "NOM".
