

# Business Finland grants funding for Keliber's Lithium Project

Keliber has been granted maximum EUR 708,000 from Business Finland as part of the funding granted to the BATCircle 2.0 consortium. Keliber's focus in the BATCircle 2.0 project will be on developing its exploration methods and production process in order to guarantee environmentally friendly and cost-conscious operations, and a high-quality end-product.

Keliber is one of the companies contributing to the Finnish battery strategy and the development of a sustainable battery metals ecosystem.

Keliber's press release is available at: <https://www.keliber.fi/en/news/news-releases-and-publications/5146BD2EB8FD63C2/>

Oslo, 9 June 2021  
Nordic Mining ASA

*Nordic Mining ASA ([www.nordicmining.com](http://www.nordicmining.com))*

*Nordic Mining ASA ("Nordic Mining" or the "Company") is a resource company with focus on high-end industrial minerals and metals. The Company's project portfolio is of high international standard and holds significant economic potential. The Company's assets are in the Nordic region.*

*Nordic Mining is undertaking a large-scale project development at Engebø on the west coast of Norway where the Company has rights and permits to a substantial eclogite deposit with rutile and garnet. Nordic Mining also holds 14.3% of the shares in Keliber Oy, which is developing a lithium project in Finland to become the first European producer of battery grade lithium hydroxide.*

*In addition, Nordic Mining holds interests in other initiatives at various stages of development. This includes patented rights for a new technology for production of alumina and exploration of seabed minerals.*

*Nordic Mining is listed on Euronext Expand Oslo with ticker symbol "NOM".*
