Nordic Mining ASA (www.nordicmining.com)

Nordic Mining ASA ("Nordic Mining" or the "Company") is a resource company with focus on high-end industrial minerals and metals. The company is undertaking a large-scale industrial development at Engebø on the west coast of Norway through its wholly owned subsidiary, Nordic Rutile AS, which has mining rights and permits to a substantial eclogite deposit with rutile and garnet.

In addition, Nordic Mining holds interests in other initiatives at various stages of development. This includes patented rights for a new technology for production of alumina and exploration of seabed minerals. Nordic Mining's project portfolio is of high international standard and holds significant economic potential.

Nordic Mining is listed on Euronext Expand Oslo with ticker symbol "NOM".
