## **Inhalation Sciences CEO in live session on the Facebook group “Aktier – Småbolagsjakten” on December 11<sup>th</sup> at 1900**

For more information follow the link

<https://www.facebook.com/groups/smabolagsjakten/>

During the live QA session, you will be given the opportunity to ask questions directly to the company management in Swedish or English. Answers will then be given in English.

To participate in the session, you must first become a member in the Facebook group “Aktier – Småbolagsjakten”. Apply for membership by submitting a membership request in good time to be sure to participate in the event. To do this, click the green “+ Join Group” button on the “Aktier – Småbolagsjakten ” Facebook page.

”Aktier – Småbolagsjakten” is the largest Facebook group in the Nordic region, focusing on publicly traded small cap companies. The group has over 30,000 members.

### **About Inhalations Sciences Sweden AB (publ)**

Inhalation Sciences Sweden AB (publ) develops and commercializes world-leading instruments for research into the vast field of inhalation exposures. The company’s patented lab instrument, PreciseInhale®, enables researchers to characterize, with high precision, how aerosols and small particles impact our lungs, and so our health, when we breathe them in.
