## **Inhalation Sciences: Corfind interviews CEO Manoush Masarrat on an eventful 2020**

(Stockholm Jan 8, 2020) **Inhalation Sciences (ISAB) today publishes a video interview with CEO Manoush Masarrat on ISAB's progress in 2019 and the year ahead.**

In the film, Manoush Masarrat describes ISAB's broad and growing customer base, its unique *in vitro* simulation tool DissolvIt, which the company expects to launch in Q1 2020, and its current clinical trials for PreciseInhale.

The film is available [HERE](#).

**About Inhalations Sciences Sweden AB (publ)**

Inhalation Sciences Sweden AB (publ) develops and commercializes world-leading instruments for research into inhalation. The company's patented lab instrument, PreciseInhale®, enables researchers to characterize, with high precision, how aerosols and small particles impact our lungs, and so our health, when we inhale them.
