

## New CFO in Panion; Katarina Holm

The new CFO for Panion Animal Health AB from the 1.st of November 2018 is Katarina Holm, who cooperates with our current CFO, Sofia Josephson, for a smooth transition of the role.

Panion has had a very satisfactory cooperation with Sofia, who excellently handled the business development, daily financial accounting and controlling. Sofia has accepted a new job challenge and we wish her all the best.

Katarina Holm has a broad experience in accounting and financial controlling. She currently also works at ER Redovisning in Lund and has previously worked as accountant for Mazars in Sweden. She holds a degree in economics (civil-ekonom) from Lund university.

Katarina holds no shares in the company, and despite identical last name, she has no family relation to the CEO of the company.

**Developing animal health** – In Panion, we want to improve the quality of life for animals suffering from chronic diseases. We are convinced that gene therapy has promising prospects. Our aim is to develop and commercialize a gene therapy treatment for dogs with drug refractory epilepsy, based on CombiGene AB's technology and platform. Panion Animal Health AB is listed at Spotlight Stock Market.
