

Gaming Innovation Group signs final agreement with German facing iGaming operator

Reference is made to the announcement on 18 February 2021, where Gaming Innovation Group Inc. (GiG) announced it had signed a letter of intent with an established German facing iGaming operator, for the provision of GiG's iGaming platform technologies to power the company's new online casino.

GiG has today signed the final agreement with the operator with a minimum duration of four years from launch. The agreement is based on a revenue share model and the new online casino will be operating under their own MGA license with the intention of acquiring a German license once available. Further details on the partnership will be released in connection with launch, expected in Q3 2021.
