Stockholm October 1, 2018

Handicare Group launched new products at Rehacare

Handicare Group presented three new products at Rehacare in Düsseldorf, Germany:

- **Revolutionary new straight stairlift**
A friction based new straight stair lift (1100), less intrusive and with no gear rack. A unique Handicare product with patented technology which combines the best in style, design and safety features from Handicare's complete stairlift portfolio in a slimmer package and which bring users to the next-level in stairlifts.
- **Quicker, easier staircase measurement tool**
Handicare introduced the improved version of PhotoSurvey: PhotoSurvey4D (PS4D). With the latest technology in staircase measurement, a stairlift adviser can now do a complete measurement within 10 minutes.
- **New sliding sheet portfolio**
A new portfolio of sliding sheets consisting of sliding and draw sheets were introduced to the international patient handling market.

Rehacare is the largest trade fair for the rehabilitation and care industry. In the fair that ended September 29th, 2018 - 960 exhibitors were present from more than 40 countries and the fair was visited by more than 50,000 people from the industry.
