

# Invitation to Azelio's Capital Markets Day 22 September 2022

Azelio is pleased to invite you to a digital Capital Markets Day on Thursday 22 September at 13:00-16:00.

During the Capital Markets Day, presentations will include the status of Azelio's product for energy storage, the TES.POD, Azelio's view of the market, needs, applications and market conditions, strategies and plans going forward. Presentations are held by, among others, Jonas Wallmander, CEO, and parts of the company management. The Capital Markets Day will be held entirely digitally and live-streamed.

More detailed information about the Capital Markets Day and how to participate digitally will be available on Azelio's website at this link [Azelio Capital Markets Day 2022 - Azelio](#) where the content will be updated for September 22.

Welcome.

## About Azelio

Azelio specializes in energy storage with electricity and heat production. The technology is revolutionary in that the energy becomes dispatchable, making renewable energy available around-the-clock. The energy is stored in recycled aluminium and converted into electricity and heat with a total efficiency of up to 90%. The solution is scalable, sustainable, and cost-efficient from 0.1 MW up to 20 MW. Azelio has approx. 200 employees with headquarters in Gothenburg, Sweden. Production takes place in Uddevalla and the company maintains development centers in Gothenburg and Åmål, has a presence in Stockholm, as well as Regional Directors for Australia, US, southern Africa and the MENA region. Azelio is listed on Nasdaq Stockholm First North Growth Market with FNCA Sweden AB as Certified Adviser. More about Azelio: [www.azelio.com](http://www.azelio.com)
