Minor corrections in two press releases regarding the Annual report for 2017 and the Notice for the Annual General Meeting 2018

Aspire Global today has made minor corrections in two press releases that were announced yesterday, April 9th 2018, available on the company website. The corrections concern the currency in the Swedish version of the press release that announced the publishing of the Annual report for 2017, as well as the record date for entitlement of dividends in the Notice for the annual General Meeting 2018 (both languages).

In the Swedish version of the press release "Aspire Global's annual report for 2017", a correction of the currency referred to in the quote from the CEO has been made. The correct currency for 2017's revenues and profit should be Euro, not SEK. **The correct sentence (in Swedish) is the following "Revenues rose 18% to €71.9 million (61.0) and EBITDA rose 25% to €14.3 million (11.4)."**

The correction made in the "Notice of annual general meeting of Aspire Global plc" concerns the record date for entitlement of dividends (item 10), which shall be May 11th 2018 (not May 4th 2018).

The correct press releases are available through the following link <http://www.aspireglobal.com/media/> .
