Aspire Global's Pariplay **continues expansion in the US with BetMGM deal**

Aspire Global's Pariplay, the leading aggregator and content provider, has signed a distribution deal with BetMGM, the leading online casino operator in the US. This agreement will enable Pariplay to offer its proprietary games and aggregated third-party content to BetMGM's players in New Jersey and Michigan, with the potential to expand into other live markets in the future.

Through partnering with BetMGM, Pariplay is taking a strategically important step toward the long-term goal of becoming a leading content supplier in North America, where it has recently signed several important deals to offer content from its Fusion™ platform.

Fusion™ features over 120 of the supplier's own titles, as well as thousands of games from the industry's leading games developers, and a suite of back-office conversion and retention tools that enhance player value.

Matthew Sunderland, VP of Gaming, BetMGM, said: "Pariplay offers an abundance of well-liked content. Through this partnership, BetMGM will add to its world-class gaming experience through titles that will engage and entertain our players."

Tsachi Maimon, CEO of Aspire Global, said: "We have a strong momentum in the US and this deal is yet another important step in our US growth strategy. The US iGaming market is growing at an impressive rate and we are determined to be at forefront of the developments."
