

Contract Extension in Atlantic Region

DOF Subsea has received a 6-month extension to a contract in Africa. The project shall continue to use Skandi Seven throughout the extended duration, delivering integrated FSV services, project management, engineering, procurement and logistical services within deep-water construction and maintenance of existing subsea infrastructure.

CEO Mons S. Aase, +47 91 66 10 12

CFO Hilde Drønen, +47 91 66 10 09

With a multi-national workforce of about 3,150 personnel, DOF ASA is an international group of companies which owns and operates a fleet of modern offshore/subsea vessels, and engineering capacity to service both the offshore and subsea market. With 40 years in the offshore business, the group has a strong position in terms of experience, innovation, product range, technology and capacity.

DOF's core businesses are vessel ownership, vessel management, project management, engineering, vessel operations, survey, remote intervention and diving operations primarily for the oil and gas sector. From PSV charter to Subsea engineering, DOF offers a full spectrum of top quality offshore services to facilitate an ever-growing and demanding industry.

The company's main operation centers and business units are located in Norway, the UK, the USA, Singapore, Brazil, Argentina, Canada, Angola, and Australia.

DOF ASA is listed on the Oslo Exchange since 1997.
