

## **Notice of delisting**

The bankruptcy estate of DOF ASA has been notified by Oslo Børs that Oslo Børs intends to delist DOF ASA from Oslo Børs due to the fact that bankruptcy proceedings have been opened in DOF ASA and the company no longer satisfy the conditions for listing.

As previously informed, all of the subsidiaries in the DOF group have been acquired by DOF Group ASA, which is the new holding company in the group. The business of the DOF group is thus not affected by the bankruptcy in DOF ASA nor will it be affected by a delisting of DOF ASA from Oslo Børs.
