

ARTIFICIAL SOLUTIONS

Artificial Solutions' SaaS and Total ARR for August 2023 significantly stronger than Consensus Estimates

Artificial Solutions® ([SSME:ASAI](#)), the enterprise AI product provider for contact centers, today announces that the company's SaaS ARR (Annual Recurring Revenues) and total ARR figures for August 2023 significantly deviate and exceed the market expectations for the third quarter 2023.

The company's August 2023 ARR numbers:

- SaaS ARR in August 2023 amounted to 40 MSEK, +77 % YoY.
- Total ARR in August 2023 amounted to 71 MSEK, +64 % YoY.

The company expects continued growth in the third and fourth quarter 2023 and therefore wants to highlight the stock market about the strong development in the third quarter 2023 to date.

The above-presented financial information will not be commented on by Artificial Solutions until the report for the third quarter 2023 has been released.

Artificial Solutions' third quarter 2023 report will be published on October 25, 2023, at 07:30 am CEST.

This disclosure contains information that Artificial Solutions International AB is obliged to make public pursuant to the EU Market Abuse Regulation (EU nr 596/2014). The information was submitted for publication, through the agency of the contact person, on 13-09-2023 15:15 CET.
