ARIZONA OFFROAD TOURS AND SEDONA ADVENTURE TOURS PARTNER TO BRING KAYAKS & QUADS TOUR

Camp Verde, AZ (Tuesday July 9, 2013)- An all-new adventure has come to Arizona! Arizona Offroad Tours and Sedona Adventure Tours have teamed up to bring you the best of both worlds, feel the trail beneath your tires as you drive your own ATV and then hit the Verde River and cool off in a kayak on the Kayaks and Quads Tour.

Arizona Offroad Tours and Sedona Adventure Tours, two premier adventure companies in Northern Arizona, joined forces early in the spring of 2013 to showcase the adventure opportunities offered by both companies. With special use permits from the Prescott National Forest, Arizona Offroad Tours takes visitors to new heights, explores the unique backdrop of Arizona's high country, and provides the opportunity to enjoy a panoramic view to keep cameras busy on a guided ATV tour. Sedona Adventure Tours offers a wide variety of fun and adventure centered around the Verde River with kayaking adventures for the whole family.

This all-new Kayaks and Quads adventure provides visitors with the chance to experience the thrill of navigating trails while driving their own ATV, led by an experienced guide, fitted with safety in mind, and equipped for the excitement that lies ahead and then cool off in the Verde River on a kayak, all while enjoying Arizona's only wild and scenic river system. This tour is fun for all!

Mary McDowall, owner and operator of Arizona Offroad Tours, says of this new partnership, "We couldn't think of a better tour to offer this summer in the Arizona heat than the chance to reach new heights and adventure with us while driving an ATV and then cool off in the Verde River with Sedona Adventure Tours. Visitors are going to get a kick of getting to enjoy both tour companies and sharing the fun and excitement we both offer to visitors from all over the world. We can't wait to share these tours with everyone!"

The Kayak and Quads package is currently offered seven days a week. Trips include awesome guides, boats, paddles, personal flotation devices, ATV's, helmets, goggles, bandanas, water and a light snack.

The Kayaks and Quads package is an all day adventure and varies in pricing depending upon the offroad vehicle chosen. Visit www.myarizonaoffroadtour.com/kayaks-and-quads or call 877-673-3661, for more information, details, pricing, and to make reservations.
