Stockholm, 2022-12-21

Cabonline signed a new operating agreement with Frogne

Cabonline, the leading taxi company in the Nordics and Frogne, the leading system developer of Nordic mobility solutions, have agreed and signed a new long-term agreement for server operations, including network and data security.

- We are excited about this agreement that both provide enhanced stability and performance for our current systems supporting Cabonline's operation and quality for travellers, transporters and drivers, **says Dag Kibsgaard-Petersen, President and CEO of Cabonline Group.**
- We are pleased to continue our well-established cooperation with Cabonline, thereby adding to our long history of developing and supporting unique and universal technical solutions that, over the years, have supported Cabonline's goals, **says Frogne CEO Kaare Frogne.**

About Cabonline Group:

Cabonline is the leading taxi company in the Nordic region, with ~2,600 connected transporters and ~4,600 vehicles in Sweden, Norway, Finland and Denmark. Cabonline operates a series of well-known brands, such as Flygtaxi, TaxiKurir, Norgestaxi, TOPCAB, Kovanen, Taxi Skåne, Taxi Väst, Umeå Taxi, Sverigetaxi and Taxi 4x27. Through Cabonline, transporters have access to attractive customer agreements, support from industry-leading technology and efficient services where shared infrastructure delivers economies of scale. In 2021, Cabonline's revenue was approximately SEK4.5 billion. For further information: cabonlinegroup.com/en

About Frogne

Frogne is the leading system developer of Nordic mobility solutions. As a part of KFA Group (Finn Frogne A/S, Structab AB, Nordic Auto El AB), Frogne is one of Europe's leading developers of integrated Traffic Management solutions. For 50 years, Frogne has excelled in technology-driven strategic cooperation within person transportation with inhouse development of SW & HW and 50 accredited service partners in Scandinavia. Founded in 1973 and with the same family ownership since, Frogne's head office is situated in Copenhagen, with subsidiaries in Sweden, Germany, Finland and Montenegro. Within the market niches of taxi and publicly paid person transportation (Patients/Elderly/Schools), The KFA Group has 20.000 systems in use among the customer base in Denmark, Sweden, Norway, Finland, Germany, Iceland and Greenland.
