The agreement covers all municipal workplaces. It also covers pre-schools, primary- and lower secondary schools, as well as adult education for Sundbyberg citizens. The agreement lasts 2 + 1 + 1 years, where Advania, through a comprehensive commitment, will optimize workplace efficiency and provide the right IT tools, services and education.

More specifically Advania shall provide; laptops, desktops, displays, projectors, other AV equipment and IT education. New products and services introduced on the market during the contract period will also be covered by the agreement.

Sundbyberg city has a total of over 5600 users, consisting of both students, educators, and administrative staff. The estimated value of the procurement is SEK 40 million, distributed over the entire contract period.

“When Caperio and Advania merged, our total offer was further strengthened, and we can provide the customer with a very complete solution. We are looking forward to starting work on streamlining workplaces and promoting digital development for the city of Sundbyberg - by providing the right tools and the right pedagogy”, says David Pohanka, Business Unit Director, Advania Workplace”.

About Advania School Partner

Advania School Partner has a solid experience in providing digital equipment to schools across the country. Advania's School Partner cooperates with school management and offers in addition to hardware and software - education, and anti-bullying tools. More than half of Advania School Partner's employees have a background in the school system, such as teachers, principals. It gives a good understanding of the everyday work in Swedish schools.

About Advania Workplace

Advania Workplace is the collective name of a modern and mobile workplace. Advania Workplace's task is to ensure that the customer does not have to worry about hardware or software. In a well-functioning workplace, the printers do not bother, your employees are equipped with working devices and the software on the devices is up to date and has the correct licensing. Advania Workplace covers all parts of the life cycle and spans the entire supply chain, so that employees can focus on the core business.

About Advania

Advania is a Nordic IT corporation, operating in 22 locations in Sweden, Iceland, Norway, and Denmark. The company focuses on helping customers to improve their performance with innovative use of best available IT platforms and services. Advania serves thousands of corporate customers, multinational enterprises, governments and public institutions, big, small and medium-sized companies in all aspects of society. Advania traces its roots to 1939 when an Icelandic entrepreneur founded an office equipment repair workshop in Reykjavik. In the following decades, three separate branches of IT-companies evolved in three Nordic countries, Iceland, Sweden, and Norway. In 2012 they were braided into one and Advania was formed.
