### **The Eric Ekstrand Ensemble and Perseverance To Release “Standard Delivery” in December**

“Standard Delivery”, the long-awaited album of The Eric Ekstrand Ensemble, will be released by the Perseverance Entertainment Group on December 11, 2015. The album will deliver Eric Ekstrand’s innovative arrangements and soulful vocals on several standard songs from the ‘20s to the ‘60s.

“Standard Delivery” will feature 14 songs, as well as two additional bonus tracks that will be on CD exclusively and not available as download. The CD, with a running time of 58:56 min, is available at a price of \$14.95 and can be pre-ordered as of today on the website of Perseverance (<http://www.perseverancerecords.com>).

Robin Esterhammer, owner of Perseverance Entertainment Group, says: "Listening to the new album will be as much exciting as experiencing the live performances of these guys. ‘Standard Delivery’ will deliver the big sound and the great atmosphere we know from their thrilling live shows."

Eric Ekstrand adds: "I want to say a big ‘Thank You’ both to Robin at Perseverance and, most of all, to the members of our Ensemble. Their support has been extremely helpful, and I know that without them we would not be where we are today."
