"Beyond the Sea" to Be Released Next Week:

Final Single Release of The Eric Ekstrand Ensemble Raises Anticipation for Upcoming Tribute Album

A third single release from "Standard Delivery", the long-awaited tribute album by The Eric Ekstrand Ensemble, will be available as download as of November 27, 2015. "Beyond the Sea" raises anticipation for the upcoming album that will be released as a tribute to Frank Sinatra (born December 12, 1915) on December 11, 2015. The single will be available for \$0.99 and can be downloaded on various services, such as Amazon, iTunes and Yahoo.

Eric Ekstrand says: "I love 'Beyond the Sea' a lot, both the music by Charles Trenet and the lyrics Jack Lawrence wrote to the original song. Our arrangement will focus on leaving your love behind, and on missing them. I'm sure that people will love this song as much as we do, and they will never go sailing again."

"Standard Delivery" will deliver Eric Ekstrand's innovative arrangements and soulful vocals on several standard songs from the '20s to the '60s. The album will feature 14 songs, as well as two additional bonus tracks that will be on CD exclusively and not available as download. The CD, with a running time of 58:56 min, is available at a price of \$14.95 and can be pre-ordered on the website of Perseverance Entertainment Group (www.perseverancerecords.com). Earlier this fall, there were two single releases from "Standard Delivery" already, featuring "How About You?" and "Hey, Good Lookin'".
