## **EG7 Announces the Title EvilvEvil (Project Osiris)**

*Enad Global 7 today reveals the biggest game development so far, EvilvEvil (previously Project Osiris) planned to be launched end of 2020.*

The new gaming group EG7 announces that EvilvEvil (previously Project Osiris) will be the first project to fully benefit from the diverse skill set of the group within areas such as development, marketing and publishing of games.

EvilvEvil is a co-op first-person vampire shooter by Toadman Studios and will be supported by publisher Sold Out, and creative agency Petrol. The game has a player-directed, continuously updated storyline where players can cooperate online to progress through the story. A teaser trailer can be accessed through the following link: <https://www.youtube.com/watch?v=jnpxAcm93tk>.

EvilvEvil is a self-developed IP that, along with future revenue generated by the title, is 100% owned by EG7.

Comment from CEO Robin Flodin:

" We are extremely happy to announce EvilvEvil as a project that we have worked on for quite a while. It's amazing to see the results of the group coming together while working with different parts of the process."

More information about EvilvEvil will be revealed during the Game Developers Conference (GDC) on 16-20 March 2020.
